Quality Staffing and Prompt Service with...

DentalPower®

Since 1985, our focus has been on placing the most reliable, experienced, and compatible dental professionals for our clients.

More than two decades later, the sophistication of our staffing system has changed — with the click of a button, we have a list of those available on the day you need, with the skills & licensing you require, and in order of proximity to your office!

But, our focus is the same — we still take the few extra moments to contact only those temps that we know will fit best with your office!

Have a support staff position opening? we have outstanding candidates (hygienists, assistants, EFDA, front office staff & managers) who are seeking permanent opportunities.

Looking for an Associate or Partner Dentist? Call our specialized dentist placement office (run by a dentist!) for associate / partner dentist recruiting & locum tenens needs.

If you don’t hear “DENTAL POWER” when you call for your staffing needs, you aren’t receiving genuine, premier dental staffing assistance from the best in the business...

The Liberty Dental Conference
and
Adviser Investments
cordially invite you to a
Meet & Greet Coffee Session
8:00 to 9:00 a.m. — Friday, November 12
Citizens Bank Park
Suite 72 — Hall of Fame level 1 (first base side)
This invitation limited to the first 75 dentists

We are fortunate to welcome two nationally acclaimed financial investment authorities, Mr. Daniel P. Weiner and Mr. James H. Lowell, III. They will present a one-hour program beginning at 9:15 a.m., “The Best Fund Managers for Uncertain Times,” (see Page 9).

Prior to the session, you can have coffee and talk informally with experts from Adviser Investments who can answer your questions about your portfolio.

Register to attend the 9:15 program (no fee) and learn from these gentlemen whose views and opinions have been featured in national publications and television news programs.

Or, feel free to stop at the Adviser Investments exhibit booth sometime during the day.

Adviser Investments, based in Newton, MA, is the nation’s leading independent investment firm specializing in Vanguard and Fidelity funds, and offering portfolio management service for individual, trust, corporate and nonprofit clients.

(Adviser Investments receives no fees or compensation from any fund family, nor does it sell or promote investment or insurance products. It is a fee-only firm.).

General Information

Registration
The Registration Area is located in the Pattison Avenue lobby at Citizens Bank Park (on Pattison Avenue, between 9th & 11th Streets). The Philadelphia County Dental Society reserves the right to deny admittance to any individual who fails to meet the rules of registration. There is NO REGISTRATION FEE to view exhibits. All members of the dental team, spouses, family members and guests are invited to pre-register and attend.

Members of the Philadelphia County Dental Society – All members of the Philadelphia County Dental Society will be pre-registered, and their name badges will be mailed to them on or about October 15.

Dental Team, Spouses, Family Members and Guests – Dentists, staff members, spouses, family members and guests may complete the Registration Form on page 12 and mail or fax it to the Society prior to October 1. Or they may register online at www.philcodent.org – click on Liberty Dental Conference. Each registrant must complete an individual registration form. Or they may register on site on November 12.

All Other Registrants – All other registrants may complete the enclosed form and mail or fax it to the Society prior to October 1. Or they may register online at www.philcodent.org – click on Liberty Dental Conference. Each registrant must complete an individual registration form. Or they may register on site on November 12.

Pre-registration closes on October 1. Name badges for those who have pre-registered by that date will be mailed by October 15. After October 1, registration for name badges will have to be accomplished on site on November 12.

Exhibitors
Exhibitors’ representatives will be pre-registered if a list of names is received by the Society prior to October 1.

Exhibitors’ may pick up name badges and/or register at a special area located in the Pattison Avenue lobby at Citizens Bank Park (on Pattison Avenue, between 9th & 11th Streets) on November 12.

Members of the Dental Dealers of America and the Dental Manufacturers of America are welcome to register on site on November 12, upon presentation of a current membership card in either of those organizations. Other than these organizations, representatives of companies that are not participating in the Conference will not be admitted.

Anyone who lends or transfers a badge to another person may be denied admission to the Conference. Anyone who circumvents any part of the rules of admission or who fails to conduct himself/herself in a professional and business-like manner risks loss of admission privileges to the Conference.

Registration Hours
Friday, November 12 8:00 a.m. to 4:00 p.m.

Exhibit Hours
Friday, November 12 9:00 a.m. to 5:00 p.m.

Technical Exhibits and Demonstrations
The exhibits will provide you with a firsthand look at the newest items available from dental manufacturers, suppliers, laboratories and a host of other displays. Participating exhibitors financially support the Liberty Dental Conference. Please take the time to visit the exhibitors and support these companies.

It is STRICTLY PROHIBITED to make payments, either by cash, check or credit card, for any items in the exhibition areas.

The Philadelphia County Dental Society assumes no obligation or responsibility of any kind, for or with respect to any transaction, dealings, representations, assurances or guarantees of exhibitors or their representatives.

Getting to Citizens Bank Park
Auto: Free parking will be available at LOT P, located at Pattison Avenue and Darien Street. For directions and a site map, visit online at www.philadelphiaes.com. On the home page, click Citizens Bank Park, then scroll down to directions and parking. Scroll down this page (past the ticket information), and you will see the directions and the site map.

Once you have parked your car, follow the signs for the entrance which is located on Pattison Avenue (an approximate walk of ¾ of a block).

Public Transportation: SEPTA’s Broad Street Subway Line runs to Broad Street and Pattison Avenue (this is approximately a 6-minute walk to Citizens Bank Park). Visit www.septa.org for more information.

Shuttle service will be available between LOT P, the Broad Street Subway station at Pattison Avenue and the lobby entrance of Citizens Bank Park.
Liberty Dental Conference Continuing Education

Join us on Friday, November 12, for a day of learning and fun at the Liberty Dental Conference at Citizens Bank Park. To order tickets, use the Reservation/Order Form on Page 15 or visit the website at www.philcodent.org

LC 51 – OSHA / BLOODBORNE PATHOGENS
8:30 to 10:30 a.m. (Classroom A – Hall of Fame level)

Jim & Nick Spaulding of Cardiac Care & Safety

This session will include information that will help the dental team understand what bloodborne pathogens are and how you can reduce your risk as well as reduce the risk of others to an exposure. There is an introduction to precautionary practices that are recommended by organizations such as the Occupational Safety and Health Administration (OSHA) and the Center for Disease Control and Prevention (CDC). This program meets the requirement set forth by the OSHA Standard for Bloodborne Pathogens. The presentation is focused on handling bloodborne pathogen issues within the dental practice.

Presenting: Ronald F. Sicilia, D.M.D.
(Advance reservations required – see Page 15)

Tickets Available: 75        CE credit: 2 hours

LC 52 – PRACTICAL, PREDICTABLE PROSTHODONTICS: 3-APPOINTMENT COMPLETE DENTURES & RESTORATION OF CARIES-RAVAGED DENTITION – PART 1
9:00 to 11:00 a.m. (Classroom C – Hall of Fame level)

Nels Ewoldsen, D.D.S., M.S.D.
Member, American Dental Association; Member, American Prosthodontic Society

Predictions that continued demand for complete denture services in the US would primarily be due to increased life expectancy overlooked changing diets, habits and lifestyles of today’s young adults. The number of patients in their late teens and early twenties seeking comprehensive restorative and prosthodontic treatments continues to increase. This presentation features an accelerated clinical sequence for premium and economy complete dentures as well as prosthodontic options for preserving and restoring caries ravaged dentitions. Dentists and dental assistants will learn a clinical approach for premium as well as economy 3-appointment dentures; at least one disadvantage of metal-free removable partial dentures and two advantages compared to case framework removable partial dentures, and how a smile preview for a denture patient can be completed before treatment begins.

Presented in cooperation with Caulk/Dentsply & GC Americas

Presenting: Elaine Stefancowicz, D.D.S.
(Advance reservations required – see Page 15)

Tickets Available: 90        CE credit: 2 hours

Richard Best
Technical Director, Stericycle, Inc; Member, APIC (Association Professionals in Infection Control); Member, OSAP (Organization for Safety, Asepsis and Prevention)

Improper waste segregation and disposal in dental facilities can result in large fines and the introduction of hazardous elements into your work environments and communities. This presentation will provide answers to your questions about exactly what goes into the red bag and how you can comply with the regulations. It will discuss how to properly segregate and package the various waste streams that are present in dental offices for your own protection.

Presented in cooperation with Stericycle, Inc.

Tickets Available: 30 CE credit: 1 hour

LC 59 – A REVIEW OF TOOTH WHITENING SYSTEMS
10:45 a.m. to 12:45 p.m. (Classroom B – Hall of Fame level)

David P. Donatelli, D.D.S.
Part-time private practice limited to Prosthodontics; Clinical Assistant Professor, University of Pittsburgh School of Dental Medicine, Department of Prosthodontics

Teeth whitening continues to have a major impact on the practice of dentistry. The number of patients asking about whitening procedures from their dentists and the increasing number of advertisements for over-the-counter whitening products is evidence of the public’s desire to have whiter, brighter teeth. What new products and procedures have come to market over the past ten years to whiten teeth? Are they safe, fast and effective? Are you meeting your patient’s demand for whiter teeth and what effect does this have on your practice and your patient’s dental health?

Tickets Available: 35 CE credit: 2 hours
LC 60 – THE BUSINESS SIDE OF YOUR PRACTICE: CREDIT CARD PROCESSING, STRATEGIZING PRACTICE OWNERSHIP OPTIONS, CONTROLLING EXPENSE PLANS & TAXES
12:15 to 2:15 p.m. (Classroom E – Hall of Fame level)

Maureen Martinez – Regional Representative, BatchOut.com
Jazmin Notta – Assistant Vice President & Regional Manager, Bank of America Practice Solutions, Pennsylvania
Mike Apalucci – Vice President & Regional Manager, Bank of America
Christopher Bryan – Financial Advisor, Smith Barney
Kenneth Marblestone, Esq. – Partner, The MandMarblestone Group, LLC

This program will address three distinct areas of importance to the success of your business. Ms. Martinez will discuss what you need to know about credit card processing, including fees, machines and how to read your statement (bring your statement with you for an on-the-spot analysis). Ms. Notta and Mr. Apalucci will provide an overview of funding options for both the first time dental practice owner and the experienced owner who is planning to expand, buy-in or acquire another practice. Discussions will include how to prepare your credit to be reviewed by lending institutions and what you can do today to assure the best available financing. Mr. Bryan and Mr. Marblestone will discuss retirement preparation, including controls to shelter taxable income from ever-increasing tax rates, protecting savings from creditors, ways to attract and retain the best possible talent at all levels from administrative staff to staff dentists, ways to reduce annual personal income with full approval from the IRS, how to speed accumulation of personal retirement savings, and more.

(This program is FREE for senior and junior dental students; those enrolled in ADA-accredited postgraduate and residency programs; and practicing dentists who graduated between 2007 and 2010 – advance reservations are required.)

Presented in cooperation with BatchOut.com and Morgan Stanley Smith Barney

Tickets Available: 30  CE credit: none

LC 61 – FUNCTION AND OPERATION OF THE PENNSYLVANIA DENTAL BOARD AND GUIDELINES TO PROTECT YOUR PRACTICE
1:00 to 2:30 p.m. (Classroom D – Hall of Fame level)

John V. Reitz, D.D.S.
Past Chairman, Pennsylvania State Board of Dentistry; Member, American Association of Dental Boards

This program will be a review of the operation of the PA State Board of Dentistry including how and why licensees get into trouble. Topics will include guidelines on the patient record, inappropriate prescribing practices, and sexual boundary violations. Finally, recent changes in the dental regulations and their impact on the practice of dentistry will be reviewed. This presentation is not the official position of the Bureau of Professional Affairs or the PA State Board of Dentistry.

(This program is FREE for all Liberty Dental Conference attendees – advance reservations are required.)

Presented in cooperation with Pennsylvania State Board of Dentistry

Tickets Available: 45  CE credit: 1.5 hours

See page 14 for Rising Dentists Study Club full-day program
Cancellations/Refunds

Cancellations and requests for refunds must be made in writing, and the ticket/s must be returned to the Philadelphia County Dental Society prior to October 29, 2010.

There will be a 25% administrative charge on all cancellations. All refunds will be mailed via check or electronically debited to the original credit card on or about December 10, 2010.

Continuing Education Information

A limited number of brief continuing education programs are available. A ticket is required for admission (see Page 15 to order tickets). Tickets will be collected at the room entrance prior to the beginning of the program. You must be present for the entire presentation in order to obtain continuing education credit. Each ticket is coded and numbered to the buyer. After the Conference, verification of attendance and credit hours will be recorded in the Society's database. No credit will be given unless the attendee submits the proper ticket for the program to the assigned room monitor. Individual continuing education reports will be mailed from the Society to attendees by December 31, 2010 (except for those pertaining to the Rising Dentists Study Club program).

Tickets may not be shared with other individuals; they may be used only by the person in whose name they are issued. CE credit will be issued only to that person.

The Philadelphia County Dental Society has been granted approval as an ADA CERP recognized provider as a component member of the Pennsylvania Dental Association.

The Philadelphia County Dental Society has been designated as an approved program provider by the Pennsylvania constituent of the Academy of General Dentistry. This program provider's formal CDE programs are accepted by the AGD for membership, maintenance, Fellowship and Mastership credits. The current term of approval extends from 1/1/2008 to 1/1/2011.

Information and materials presented by all clinicians are intended for your personal evaluation and are not necessarily endorsed by the Philadelphia County Dental Society or the Liberty Dental Conference.

The Philadelphia County Dental Society neither expresses nor implies that specific courses will fulfill various state continuing education requirements. The individual license holder must consult with the regulations pertaining to the requirements of your state.

It is STRICTLY PROHIBITED to make payments, either by cash, check or credit card, for any items in the exhibition areas.

The Philadelphia County Dental Society assumes no obligation or responsibility of any kind, for or with respect to any transactions, dealing, representations, assurances or guarantees of exhibitors or their representatives.
Ballpark Tours

You have seen the beautiful field, the amazing scoreboard and the breath-taking view of the city. The Ballpark Tours will take you to places you don't usually get to visit – including the Phillies' and visitors' dugouts, the bi-level bullpens, the batting cages, the Harry Kalas Broadcast Booth and more.

Tours last approximately one-half hour and will depart from the Conference Registration Area at 11:00 a.m., 12:00 noon, and 1:00 p.m. Each tour will accommodate a maximum of 20 people.

Advance reservations and tickets ($5.00/person) are required. See Reservation Form, Page 15.

Influenza Vaccine Program

FREE Flu Shots
Sponsored in cooperation with Crozer-Keystone Health System

12:30 to 2:00 p.m. – Suite 71, Hall of Fame Level (first base side)

HERE'S HOW YOU CAN PARTICIPATE:
Registration for the program will begin at 9:00 a.m. Those who wish to participate must visit the Information Desk on the Hall of Fame Level (next to the elevator) to receive a numbered registration/history form.

Take the completed forms to the Crozer-Keystone Vaccine area in Suite 71 on the Hall of Fame Level between 12:30 and 2:00 p.m.

Once the maximum number of forms have been distributed, no more participants will be accepted.

(This program is available to dentists, staff members, spouses and family members. All participants must be registered attendees of the Liberty Dental Conference.)

Ballpark Lunch

Cash Lunch Available at the Ballpark

Enjoy a ballpark lunch from 11:30 a.m. to 1:30 p.m. Watch for signs on the Hall of Fame level directing you to the serving area. Plenty of seating availability in the ballpark stands. Treat yourself and your staff to a fun lunchtime and great views of the ballpark and the City of Philadelphia.

Meet the Phanatic

Presenting

The Team Approach to Case Acceptance for Contemporary Dentistry
Getting Patients to Want What They Need

Speaker: Mark K. Setter, D.D.S., M.S.
8 AM to 2 PM – Media Room (lower level)

This program will address office systems that must be in place to deliver the treatment options to transform a patient’s needs to wants.

- The Examination
  - The Emotional Exam, The Clinical Exam and Patient Awareness of Findings

- Office Commitment to Change
  - Everyone on the dental team must have the clinical and verbal skills to discuss treatment options after the dentist derived treatment plan has been presented, because “want” based treatment requires more detailed discussion

- The Systems
  - From the first contact with the dental office to treatment completion, systems are required for thoroughness and high level patient satisfaction.

Registration for this program starts at 7:45 AM
Breakfast and Mid-Day Light Food Included
Fee includes entrance to the Liberty Dental Conference exhibits

Doctors: $199    Staff/Residents/Dental Students $99

Please send checks payable to Implant Management Consultants along with the registration form below to:
